BUNTING FLAGS

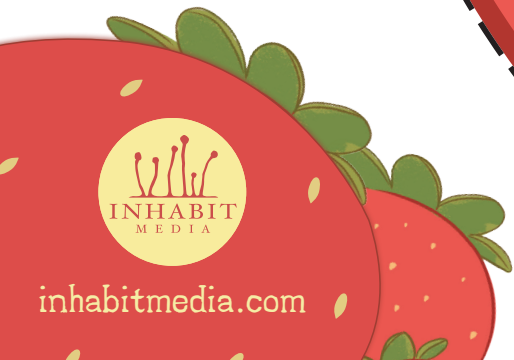

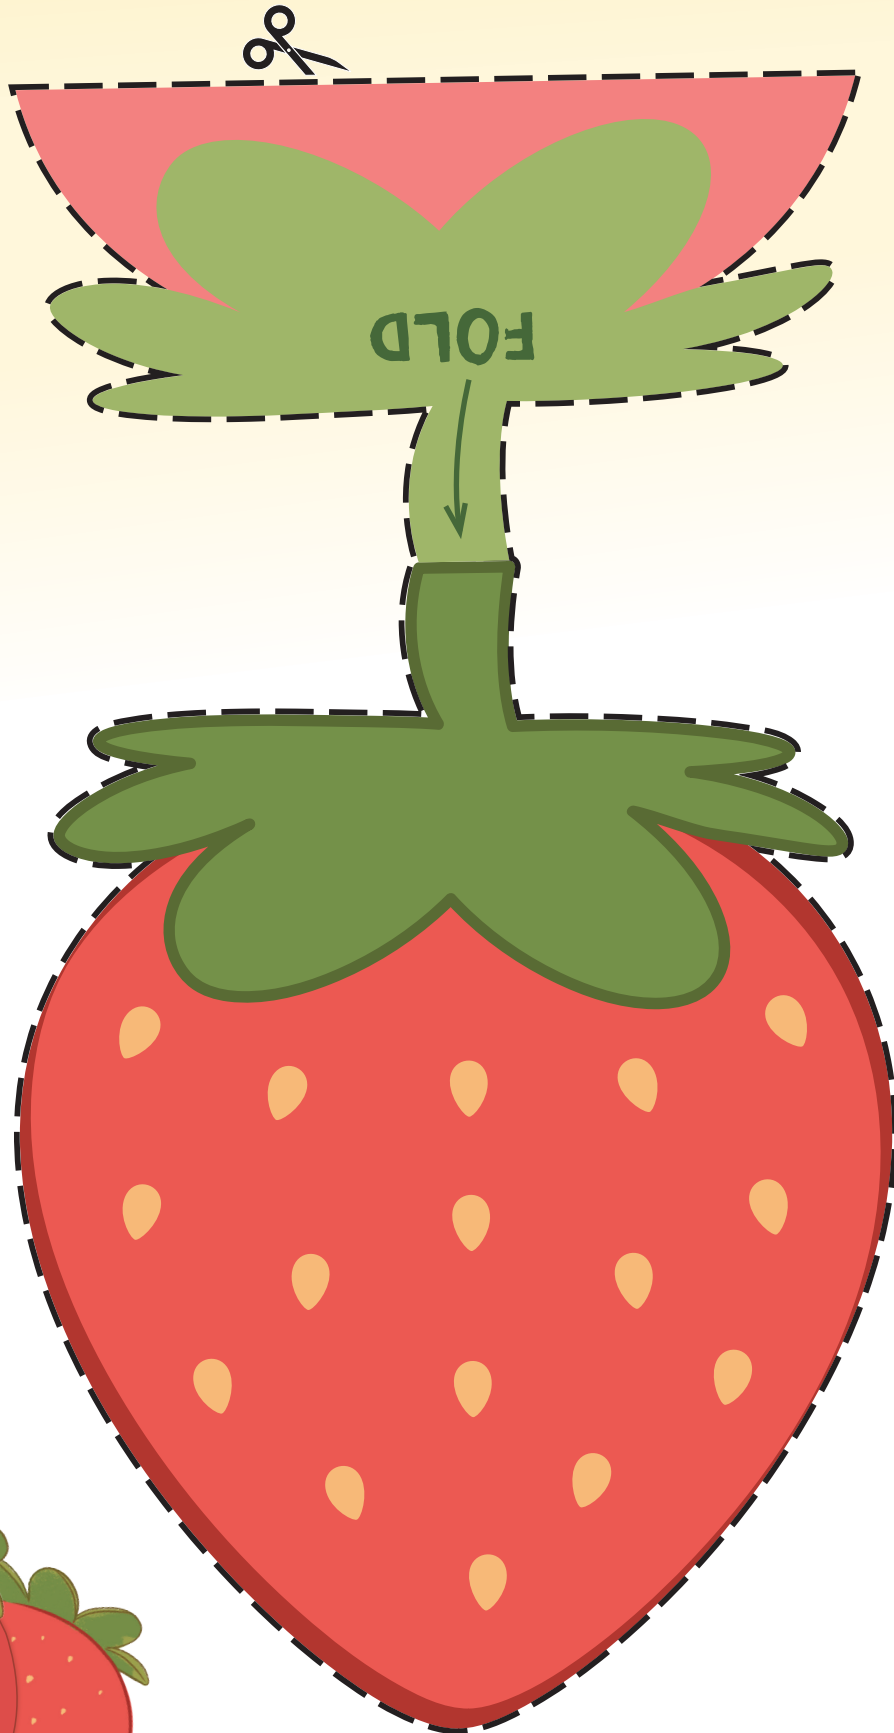

Print enough flag pages to span the full length of your banner, then cut them out. Arrange the flags face down in the order you'd like them displayed. Cut a piece of string long enough to fit all the flags, lay it across the backs, and fold the top edge of each flag over the string. Secure with tape, then hang your banner—it's time to celebrate!

CUPCAKE TOPPERS/TAGS

Make cupcake toppers by taping a cutout to a toothpick or straw. For a double-sided topper, attach a second cutout to the back. To create a favour tag, punch a hole near the edge and thread a ribbon through it!

PIN THE STRAWBERRY ON THE SUNDAE

Cut out the strawberry slices and add glue to the backs.

Close your eyes, and try to stick them on the sundae!

PARTY HAT

Cut out the party hat, then glue or tape along the lines to make a cone. Punch a hole on each side of the bottom edge, and tie a string through them as a strap.
